Mr. Mike Fowles  
U.S. Army Corps of Engineers  
Fish and Wildlife Office  
RD #1, Box 703  
Saltsburg, PA 15681-9302

Dear Mike:

On June 13, 18, 20 and 29, 2007, I conducted aerial detection surveys for gypsy moth-caused tree defoliation at 16 US Army Corps of Engineers projects located within the Pittsburgh District. I am pleased to report that no defoliation was detected at, or in the vicinity of Berlin Lake, Conemaugh River Lake, Crooked Creek Lake, Michael J. Kirwan Lake, East Branch Lake, Kinzua Dam, Loyalhanna Lake, Mahoning Creek Lake, Mosquito Creek Lake, Shenango River Lake, Stonewall Jackson Lake, Tionesta Lake, Tygart Lake, Union City Reservoir, Woodcock Creek Lake and Youghiogheny River Lake.

However, if you anticipate requesting either financial or technical assistance for gypsy moth control in 2008, please contact Brad Onken (304) 285-1546 or me (304) 285-1555 before August 24, 2007.

Please contact me at the above number if you have any questions regarding this aerial survey letter.

Sincerely,

RODNEY L. WHITEMAN  
Forester  
Forest Health Protection
